## SKILLS

---

Software: Photoshop, Illustrator, Indesign, Visual Studio Code, Github, HTML, C++, Figma, Procreate, After Effects

Languages: Japanese (conversational)

## ACTIVITIES

---

After a long day of work, school, and studying, I tend to spend my free time drawing and working out. Some materials I used for my artwork involve color pencils, HB lead, paint, and digital applications like procreate. As for working out, I do

a mixture of both weightlifting and calisthenics. I'm also constantly researching different design and art techniques that can improve my artistic creation.

## **ACHIEVEMENTS**

---

- Graduated Highschool with an advanced diploma
- Graduated Highschool advanced medal which was provided to me by my school for my hard work and effort in maintaining a 3.5 GPA all throughout Highschool
